### **CSH JR/SR HIGH SCHOOL PARENT TEACHER GROUP (CSHPTG)**

On May 3 we celebrated Staff Appreciation Day with bagels and coffee for the staff. This was not to be confused with our Staff Appreciation Luncheon which is on Friday, May 27.

On May 10 we held our final CSH PTG for the school year. We voted in our new board, and presented our financials for the 2021-2022 school year, which will be audited by an independent company within the next month or so. Also, Mr. Stucchio gave a presentation on the budget, which was subsequently passed.

The items from our Spring Apparel Sale have arrived (except for a few back ordered items). If you chose to have your items shipped, those items have been sent out and should be arriving shortly. If you chose to pick up your items at the high school, we will be sending out a schedule of when apparel will be distributed.

The CSH PTG is helping to sponsor International Night at the Jr/Sr High School on May 31st. This event is fan-favorite as the International Club students showcase their cultural heritage through food, an activity, or a musical performance. The entire community is welcomed and encouraged to attend this event. Everyone is super excited that International Night is back, and the CSH PTG is thrilled to be a part of it.

The CSH PTG is also helping to sponsor the Coffee House Jam Fest on Friday, June 3rd. This is another great even where students from the Jr/Sr. High School perform on the lawn in front of the high school. There will be free ice cream, BBQ, and snacks. All are welcome to attend, and Mr. Danbusky is hoping to grow this event into a more community wide extravaganza in the coming years. If you have a child in 7-12 who is interested in performing at the Coffee House Jam Fest please let me know ASAP and I will help you out.

The CSH PTG is working with the junior high school administration on funding a few end of year activities. These include a Neon Party on June 10th with the incoming 6th graders from the elementary schools and the current 7th graders. We will be seeking 6th and 7th grade parent volunteers for this event, so please be on the lookout for that. We are also funding a Yearbook Signing BBQ for the graduating 8th graders on June 14th, after final exams.

The CSH PTG is also going to take over the Senior Breakfast on June 8th, which is the day they receive their yearbooks.

Looking ahead, we have been in discussions with Mr. Danbusky regarding an “Ambassador Program” at the high school. When new families move to the district, it can be extremely difficult for them to try to navigate the ins and outs of the Jr/Sr. High School. We would assign one of our board members to the new family (ideally their children would be the same age) and they would be an “ambassador” to the high school, answering any questions they may have, or even helping the new students get acquainted. This program has been extremely successful in the elementary schools, and we are hoping to bring it up to the Jr/Sr. High School.

We have also started on our directory for next year, so if you have any changes please let us know!

We wish everyone a safe and happy summer and we are looking forward to great things next year!
